## PROPHECY FULFILLED!

### Saddam captured on 500-year anniversary of Nostradamus

With the recent capture of Saddam (announced to all the world) on Dec. 14, the 500-year anniversary of Nostradamus (born in 1503), both the mysterious accuracy of the prophecies of Nostradamus, as well as the fact that we alone have given the correct and significant meaning, now shines forth brighter than ever.

The "King of Terror" prophecy, showing how these events pertaining to Saddam and Bush are coming to a head in the year 2003, were all given and known aforesaid. Why God picks ones like Nebuchadnezzar, Caesar, Constantine, Napoleon, Hitler, Saddam and Bush who are all secular leaders

outside of the Cause, to aid in the promulgation of his word, is a tried and true method used by Him all throughout history. Nevertheless, the sordid affairs of this world—of which the true believer is much detached—give us signs and warnings and seasons in which God has

also promised a great victory for his people and chosen ones, a great bounty promised for everyone whose name is "written within the book."

For many years now we have anticipated the date of the 500th anniversary of the birthday of Nostradamus,

## Furutan struck down!

### Haifan attack forestalled by death blow from above

*He is God!*

In His Almighty grasp alone, are the fate and destiny of all mankind!

On the very Day of the Covenant, as mentioned in the last issue of the Noontday Sun, the Guardian signed the Indictment into effect on November 26, 2003, that was issued by Dr. Jensen in 1979 (24 years ago—a prophetic day with each hour being a year: 24 hours equals 24 years).

At that exact moment the violating "Hand" of the Cause of God, Furutan, who was spearheading the Haifa-NSA lawsuit

attack against us, was struck down in the Holy Land by God collapsing where he stood. Thus the violators have been thrown into disarray and their harassment and attack against us—their avowed "leader" and acknowledged "chief" having been struck down with such a "death blow" as this—has forestalled their aggressive attack against us, and thwarted the building momentum of their onslaught, even as it is written:

## Prophecy

knowing both of the calendar dates for this event.

This information, moreover, was made public since January of 2003 with the publication of the first edition of the book "King of Terror" by Victor Woods. And therefore, for those who follow these things, December 14, 2003 should not come as a complete surprise as we have been patiently awaiting these great developments in the overall unfolding of the specific events pertaining to Saddam/Iraq and Bush on this date this year.

So with precise foreknowledge of events as vouchsafed by God, we have planned far in advance to have certain projects ready and accomplished at these precise times given by God in the scriptures and prophecies.

God works in mysterious ways. The Great Projection of the true Message of Baha'u'llah, that "the descendant of King David must be the Executive Branch of Baha'u'llah's Universal House of Justice, so we can recognize the true UHJ from fakes frauds and imitations," is fast already spreading around the entire world.

Meanwhile, as the forces of ignorance and greed rally themselves around the oil-rich East, more and more clearly can all people see the prophecies of God for the Kingdom and Catastrophe rightly predicted by the scriptures and seers of the past.

This will continue to the very point that they shall see the prophecies fulfilled in Baha'u'llah, Dr. Leland Jensen and the current Baha'i Administration with the living Davidic King at its head. All those who have opposed will be defeated even as Baha'u'llah has written in His prayers in reference to the violators: "Oh God! Erase and Efface them!"

The news of Saddam's capture on December 14, 2003, the 500th Anniversary of the birth of Nostradamus, a prophecy fulfilled, is a large blow to all those who

***“The power of God demonstrated in clear prophecy fulfillment, especially of those sacred prophecies of the Holy Bible, will eventually overwhelm and devastate an unrepentant and apathetic world into seeing the grace of God, His power and mercy for all mankind.”***

have wished ill against this Cause since the days of the Bab and Baha'u'llah to the present.

The power of God demonstrated in clear prophetic fulfillment, especially of those sacred prophecies of the Holy Bible, will eventually overwhelm and devastate an unrepentant and apathetic world into seeing the grace of God,

His power and mercy for all mankind.

All the good things from God are written in stone. But these false people have, at every turn, the ability to remove themselves from the fires of war and ignorance if they would only turn to Almighty God and accept Baha'u'llah and His Covenant, which is the peace plan for the world, the Davidic Kingdom of God on earth as it is in heaven.

In spite of the great numbers against us, the true and only Baha'is of the world, heirs of the Bábí and Baha'i martyrs, heirs of Baha'u'llah and 'Abdu'l-Baha, the Cause of God will triumph through the Love of God being united with the Knowledge of God.

By the High Priest, Jesus the Lamb on his return, we have been given this knowledge. By our pure hearts, created by God, we have chosen to love the knowledge of the true God only, and have refused to go "awhoring after other guardians", as Dr. Jensen put it in The Most Mighty Document, or become "children of the desolate woman" and accept no guardian, not even the true one, at all.

*"O OPPRESSORS ON EARTH! Withdraw your hands from tyranny, for I have pledged Myself not to forgive any man's injustice. This is My covenant which I have irrevocably decreed in the preserved tablet and sealed it with My seal of glory." —Baha'u'llah*

## Prophecy

Such is the fated doom of all the people of the world.

*"O my God! O my God! Unite the hearts of Thy servants, and reveal to them Thy great purpose. May they follow Thy commandments and abide in Thy law. Help them, O God, in their endeavor, and grant them strength to serve Thee. O God! Leave them not to themselves, but guide their steps by the light of Thy knowledge, and cheer their hearts by Thy love. Verily, Thou art their Helper and their Lord." -- Baha'u'llah*

*"O my God! O my God! Verily, I invoke Thee and supplicate before Thy threshold, asking Thee that all Thy mercies may descend upon these souls. Specialize them for Thy favor and Thy truth.*

*"O Lord! Unite and bind together the hearts, join in accord all the souls, and exhilarate the spirits through the signs of Thy sanctity and oneness. O Lord! Make these faces radiant through the light of Thy oneness. Strengthen the loins of Thy servants in the service of Thy kingdom.*

*"O Lord, Thou possessor of infinite mercy! O Lord of forgiveness and pardon! Forgive our sins, pardon our shortcomings, and cause us to turn to the kingdom of Thy clemency, invoking*

*the kingdom of might*

*and power, humble at Thy shrine and submissive before the glory of Thine evidences.*

*"O Lord God! Make us as waves of the sea, as flowers of the garden, united, agreed through the bounties of Thy love. O Lord! Dilate the breasts through the signs of Thy oneness, and make all mankind as stars shining from the same height of glory, as perfect fruits growing upon Thy tree of life.*

*"Verily, Thou art the Almighty, the Self-Subsistent, the Giver, the Forgiving, the Pardoner, the Omniscient, the One Creator." -- Abdu'l-Baha*

## Furutan

*"O ye beloved of the Lord! In this sacred Dispensation, conflict and contention are in no wise permitted. Every aggressor deprives himself of God's grace!" (W&T, p. 13).*

*"Through the Power of the Covenant alone do we march ever onward undefeated and in victory until at last all this nether world is transformed "even unto paradise itself!" (W&T, p. 15)*

## ANNOUNCEMENTS

### Welcome New Believer

A warm, warm welcome to Tertia, our newly found and reunited fellow Baha'i, declared and accepted on the Day of the Covenant, 2003, from Botswana!

*"The light that is shed from the heaven of bounty, and the benediction that shineth from the dawning-place of the will of God, the Lord of the Kingdom of Names, rest upon Him Who is the Supreme Mediator, the Most Exalted Pen, Him Whom God hath made the dawning-place of His most excellent names and the dayspring of His most exalted attributes.*

*Through Him the light of unity hath shone forth above the horizon of the world, and the law of oneness hath been revealed amidst the nations, who, with radiant faces, have turned towards the Supreme Horizon, and acknowledged that which the Tongue of Utterance hath spoken in the kingdom of His knowledge: "Earth and heaven, glory and dominion, are God's, the Omnipotent, the Almighty, the Lord of grace abounding!"*

*(My second letter to BWC:)*

Dear reader,  
Has letter above been reached? Can I get official cancellation of not being part of this man-made corrupted and therefore apostate Baha'i faith? A sans-guardian institute without a descendant of King David on the Throne can never be the real UHJ!!! Shoghi Effendi had appointed/invited Mason Remey as president of first IBC, the UHJ in embryo. Mason is Abdu'l-Baha's adopted son and heir to the Throne, and the first gentile to sit on the Throne, as prophesied in Bible!

The Hands and Mrs. Khanum said that God had changed his promise. Is God a liar? Shoghi Effendi had no son in the flesh; even when he would have, that person would not be an Aghsán, a descendant of King David. Baha'u'llah is a descendant of King David, and as a male sperm descendant of King David he is the Christ and is sitting on the Throne of David. After Him it was Abdu'l-Baha, and after that Mason Remey was the adopted son of Abdu'l-Baha and already the president, invited to the Throne by the infallible Shoghi Effendi.

When a guardian passes on, the Hands cease to exist!!!! They serve only one guardian and have nothing to say after this guardian

passes on. How can they say that God changed his Plan? God has promised a descendant of King David on the Throne forever, so how can the UHJ at Mount Carmel be real when they do not have a descendant of King David on the Throne, a living guardian and President of the real UHJ? Shoghi Effendi knew Mason was only true guardian; that is why he invited him to become the president of first IBC. The UHJ would evolve in 4 stages.

The Hands and Ruhyyih Khanum hijacked the Faith making people believe in their lies and threatening innocent believers to be excommunicated if they would investigate Mason's claims, and telling this flock Mason is a Covenant-breaker and should be shunned. They have no right to make such claims! Only the guardian had this infallible right, and after him, the real UHJ in its embryonic stage (IBC). The UHJ can only be established when all countries are with Baha'is, and Russia has no spiritual assemblies or houses of justice yet at all because religion is forbidden there!

Remember what happened with the previous Temple there?

The descendant of King David must be the president (executive Branch) of Baha'u'llah's Universal House of Justice so we can recognize the true UHJ from fakes, frauds, and imitations.

(Will and Testament of 'Abdu'l-Baha, page 15).

If you want to save your soul and that of your loved ones I suggest you independently investigate the Truth. I love Baha'u'llah and his Establisher, Doc—Leland Jensen, Jesus returned, the seventh Angel, the High Priest of the order of Melchizedec, Knight of Baha'u'llah. Thanks to God we have a living Guardian, a descendant of King David who will be on the Throne forever.

That's God's promise fulfilled!

I wish you well in your endeavors to live the life and focus on this message. This certainly is the eye of the needle to enter God's Kingdom, and only way to save your soul!!!

I have warned you twice. I cannot do more, and leave you to your judgment (day), because it's you who judge yourself, not God!

Allah'u'Abha  
Alexander

## Regional

I have had correspondence with secretary of NSA in Jamaica too and her reaction was one that I had to be very sick and she offered help.

There was no constructive discussion at all. All I had to say, was completely denied. I have sent about 10 letters to sans-guardian Baha'is. From only one I got an answer back: He had blocked my mail with the comment that we now lack a spiritual base.

So being over the wall means for the sans-guardians you are sick or no longer treated with respect. Thank you for your attention and I wish you all God's speed.

Be well,  
Yours in El Abha,

## Not the Same, but Equal

By Jonah

O h, that we

could look out into a crowd  
and see not separate  
groups of reds, browns,  
blacks,

whites, and yellows,  
but a congregation of all the  
colors mixed into the

Dream;

each playing their part,  
doing the work that was  
given to them to do,  
each and every day, by the  
Creator.

"We hold these truths to be  
self-evident,  
that all men are created  
equal."

Not the Same, but  
Equal. That in each and  
every one of us  
is the skill, the wisdom,  
understanding, the light  
and love that is just as  
important as each and every  
other.

That is the equality.  
We are each and every one  
of us a piece of the puzzle,  
and with a single piece lost,  
it will never be complete.

That we all have the Chance  
to look to God and say,

"You see me, I am small.  
But you have given me  
heart,  
and that is greater than  
any of the biggest.  
Help me to listen,  
to shine with the light of  
Your love.  
Contain me in the Truth."

Blessed are We, Who are  
Created--

Give Thanks and Praise  
to the Most High.

## FULFILLMENT OF PROPHECY

---

**A** fire from the Kingdom hath been kindled in the heart of the world, in the Blessed Tree, whose flame shall ere long set aglow the pillars of the earth and its rays illumine the horizons of the nations. All the signs have appeared, all the prophetic references have become clear, all that was revealed in the Books and Scriptures hath become fully manifest, and there is no ground for any one to hesitate in regard thereto. Some people of former times and some sects avoided certain others as strangers, but now the glorious beloved One hath ridden upon His swift coursing steed, encircling about in the arena of truth and all that was hidden became manifest. Let there be no more silence nor reticence, taciturnity nor negligence. The Candle is lighted -- yet the moths continue motionless and melancholy behind the veils. Now is the time to roar like unto a sea and seek to ascend heavenward! If we desire to reach the apex of the Supreme Kingdom, we must unfurl our wings; if we wish to dive into the depths of the ocean, we must teach our limbs swimming. The time is short and the Divine Courser moves swiftly on; let us keep up and compete with each other and let us light a brilliant candle!"
