## BAHA'I COVENANT-BREAKERS THWARTED IN DOMAIN DISPUTE

GENEVA, SWITZERLAND, U.S.A., 2005 MAY 23 -- A referee in an international dispute over a domain name has ruled that visitors to UHJ.NET should find information on the truth of the Baha'i religion and its Covenant which mandates (on page 15 of the Will and Testament of 'Abdu'l-Baha: THE CHARTER) that the descendant of King David must be the president of the UHJ (Universal House of Justice) of Baha'u'llah so that the true UHJ can be recognized from fakes, frauds, and imitations.

The May 8 ruling released by the World Intellectual Property Organization (WIPO) will keep the domain UHJ.NET in the possession of the Baha'is Under the Provisions of the Covenant who are the only people in the world to have the true Universal House of Justice of Baha'u'llah with the Davidic King (Aghsan – Branch) as its president, the great grandson of 'Abdu'l-Baha as its functioning executive and living "guardian" seated upon the throne of King David that is to last for ever (see Psalms 89 for more).

*"I, The Ancient Beauty ruleth upon the throne of David! Thus hath My Pen spoken that which the histories of bygone ages have related."* ('Proclamation of Baha'u'llah', page 89).

In a shocking verdict, the goliath megabureaucracy of the mainstream Covenant-breakers based out of Wilmette, Illinois, USA, and Haifa, Israel, were sorely defeated as the International WIPO court turned out a verdict of "Complaint Denied" for those who tried to wrest away ownership of UHJ.NET website from the true Baha'i people who have remained loyal and faithful to the provisions of the Covenant of Baha'u'llah as delineated in the Will and Testament of 'Abdu'l-Baha, which is the CHARTER of the Kingdom of God on earth as it is in heaven (see "World Order of Baha'u'llah", p. 144, for more).

The Covenant-breaking, so-called "National Spiritual Assembly, Inc." of the United States, headquartered in Evanston, Ill., had turned to WIPO in February with the audacious complaint that UHJ.NET should be wrested away from the true Baha'i community who has remained loyal and steadfast to every single provisions of the

Will and Testament of 'Abdu'l-Baha. In a clever switcheroo, they tired to smear the true Baha'is who have remained loyal to the Covenant and the person of the living Davidic King, as "violators" using misinformation, disinformation and down right lies, in a failed attempt to confuse both the public and WIPO courts.

After being expelled by the true UHJ with the Davidic King as its president in 1960 for egregious violation of the Covenant in cahoots with a rogue band of usurpers calling themselves "The Hands", who tried to eliminate the Aghsan-son of 'Abdu'l-Baha off the council of the UHJ, after they allegedly murdered the first guardian, Shoghi Effendi, in 1957, these ones, knowing they had no mandate from the Covenant of the Will and Testament of 'Abdu'l-Baha, surreptitiously trademarked the term "The Universal House of Justice" in 1965 in order to suppress the true Universal House of Justice of Baha'u'llah with 'Abdu'l-Baha's Aghsan-son as its president from being able to teach under its own true Identity and own true name.

This fallacious complaint on the part of those blinded by greed, ambition, corruption and lust ...see WIPO p. 4

### From the United Kingdom

*(The following is a letter written by a believer in the U.K. to the bogus UHJ in Haifa)*

#### To the so-called 'Universal House of Justice' in Haifa and its organization:

Please withdraw my name from the members of your corrupt and totalitarian organization which is just a house built on the sand of violation to the Covenant, and disrespect for what Baha'u'llah wrote in the Kitab-i-Ahd, and what 'Abdu'l-Baha wrote in his Will and Testament.

I don't believe that God changes his mind, nor that "men can change the will of God" like the auxiliary members and covenant-breaking counselors teach the people. ...see United Kingdom p. 5

## What is the Baha'i faith?

There is but One God, Sufficer of all. God reveals Himself through a succession of Divine Educators who all possess the same Light. There is but One Promise, that humanity will one day abide in peace and harmony with God.

That day draws near as we witness the prophetic events that mark an end to the world's ills, and usher in the springtime of the Kingdom of God on earth.

The Baha'i faith is the fulfillment of the Lord's Prayer: "Thy Kingdom Come, Thy Will be done, on earth as it is in heaven." In the Christian holy writ, Jesus prophesied his own return to fulfill this Promise in 'Baha'u'llah' ('Glory of the Lord' or 'Father' - Mark 8:38 RSV). Jesus spoke Aramaic. Translated, Glory of the Lord, or Father, is Baha'u'llah.

Baha'u'llah fulfills prophecy for the second coming of 'Christ': a male, lineal descendant of David who is anointed. Baha'u'llah's bloodline is rooted in the Davidic kingship as he was a direct, male line descendant of King David who was anointed with the Holy Spirit. The Old Testament promises the continuation of this everlasting throne on earth (Psalms 89).

Baha'u'llah's lineage is integral to the Baha'i faith. In His Book of the Covenant He refers to Himself (this lineage) as the Ancient Root, and in His Proclamation He announces: "The Most Great Law is come, and the Ancient Beauty ruleth upon the Throne of David" (Proclamation of Baha'u'llah, pg. 89).

In turn, Baha'u'llah's direct male line descendants rule upon the Throne continuing this ancient Promise - the first of them being his Son, Abdu'l-Baha, whom he named His Successor and Center of the Cause. From 'Abdu'l-Baha, the ones who continue this lineage are called Guardians, and who are seated as the executive Branch at the head of the true International Baha'i Council/ Universal House of Justice (UHJ).

It is to this true UHJ or "House of the Lord" (Isaiah 2:2-6) that all the nations shall flow. The true UHJ is to resolve the difficult problems of the world through Just and Spiritual means.

Baha'u'llah is the Return of Christ, Prince of Peace. The Baha'i firesides, a series of interactive religious discussions, give detailed, scientific proofs for the authenticity of Baha'u'llah's Message. In the same way the first Christ, Jesus, fulfilled prophecy by name, date, address and mission so that all may recognize Him and be saved, Baha'u'llah fulfills prophecy.

Baha'u'llah recorded his all-inclusive Revelation in volumes of books. His Peace Plan is the divine medicine for all ills that plague humankind. It addresses every matter, from the philosophical to the scientific. From marriage and family life, to education, to the details of achieving universal peace and prosperity. Baha'u'llah is the healing of nations, that all may find rest.

*"Thy name is my healing, O my God, and remembrance of Thee is my remedy. Nearness to Thee is my hope, and love for Thee is my companion. Thy mercy to me is my healing and my succor in both this world and the world to come. Thou, verily, art the All-Bountiful, the All-Knowing, the All-Wise."* -Baha'u'llah

## Rug-pulling is Key

### Part II

In the last issue we began to address the issue of teaching the Baha'i Faith to Christians, specifically the Seventh Day Adventists. No matter which of the 22,000 different sects of Christianity you talk to you must first empty their cup of all the corruption and pull the rug out from under them.

We began by first explaining the resurrection, which today, the Christians believe to be a physical, bodily resurrection of Jesus. This is the first lie that must be exposed, as it is the foundation of all their beliefs, that Jesus resurrected from the dead and was the only one who ever conquered death and this proves that Jesus is God. Show them in Matthew 12:39-40 that Jesus gives only one sign, that of three days and three nights, and John 11:9 where Jesus says there are 12 hours in the day, showing that a day and a night is 24 hours. Then count – from Friday when Jesus was killed before the sun went down, to Saturday before the sun went down, is one 24-hour period. From Saturday before the sun went down, to Sunday (the story of the resurrection in the bible tells us that the women went to the tomb before the sun comes up) is only a 12-hour period – a total of 36 hours, only half the amount of time that Jesus gave as his only sign. So is Jesus a big fake? This statement will trip their trigger and you'll answer your own

question saying "Of course not! Jesus was referring to another body." What other body?

Then, begin to recount the events of the night Jesus was arrested, and read Matthew, Chapter 26:30-34, where Jesus confronts Peter and tells Peter that even he will deny Jesus. For three and a half years the apostles gave up everything to follow Jesus and now he was being arrested and sentenced to death? Then read 26:56 where it says "then all the disciples forsook him and fled." This is the body that died Thursday night, the night before the physical body of Jesus died! The body of believers! Read the first chapter in the book of Ephesians, verses 22-23, where it explains that the church (in Greek it is ecclesia, meaning the believers) is his body. Also, 5:23 and 5:30 of the same book shows that the body of Christ is the body of believers. From Thursday night, the night Jesus was arrested and they all forsook him, to Friday night is one 24-hour period. From Friday night to Saturday night is another 24-hour period, and from Saturday night to Sunday night when all the apostles are gathered together and they resurrect in their belief of Jesus. This is the three days and three nights Jesus was referring to. Read Mark 4:10-12 where Jesus explains that everything is in parables, and that nothing was taught without a parable and that accordingly, the resurrection is also a parable. Then read the last chapter of the book of Luke, chapter 24, and explain to them the symbols that are being used for the people to indeed perceive and understand. In the next issue we will go over the symbols being used and what they mean. ☪

## WIPO

*continued from p. 1*

---

*“This summation of the Covenant, a veritable fireball of God’s Immutable Law codified into modern legal-ease, has sent a shockwave of joy and panic throughout the entire Baha’i world...”*

---

for power and self aggrandizement, who for the last 40 years has shown will stop at nothing to get their own way, failed to convince the WIPO court that the five words in their trademark “The Universal House of Justice” warranted their demand to own the acronym “UHJ”, which the true Baha’i people have been using publicly for over the last century since the Will and Testament went into effect in 1921, and ‘Abdu’l-Baha’s son asserted full rights under the provisions of the Covenant in 1960.

That a group of people would attempt to trump the sacred rights of freedom of religion and freedom of expression in the name of “trademark” which they call “The Marks” smacks of the Book of Revelation where it states that no one could buy or sell in the market place unless they had “The Marks” (Rev. 13:17).

The complaint by those of Illinois and Haifa, forced the Baha’is of the true Universal House of Justice of Baha’u’llah and their president, the great-grandson of ‘Abdu’l-Baha among them, to fashion the entire meaning of the Baha’i Covenant and the history of the failed Covenant-breaking usurpation of the Baha’i faith which occurred back in 1960 – the Day of Great Dividing – into a short 5000 word summary. This summation of the Covenant, a veritable fireball of God’s Immutable Law codified into modern legal-ease, has sent a shockwave of joy and panic throughout the entire Baha’i world, as Baha’u’llah Himself prophesied that a “burning meteor” shall drive the violators off of Mount Carmel is His famous prophecy of the Holy Mariner.

Thousands of people have rejoiced at the defeat of the Age Old Enemy of the Davidic Kingship of Baha’u’llah and ‘Abdu’l-Baha and of their sons, titled ‘Aghsan’ in Persian, which literally means ‘Branch’ (see Zech. 3:8 KJV for more) that has been passed down through ‘Abdu’l-Baha’s son, grandson and now great grandson who is the president and first servant of the Council of the Universal House of Justice in this day today.

Christians have been both amazed and thrilled to discover the true Identity of Baha’u’llah as that promised Davidic King, spoken of all throughout the Bible and promised by Jesus himself as the ‘Father’ who is to come “seated upon the throne of David” (see Isaiah 9:6, 7) that is to last for ever.

The word Christ comes from the Greek word ‘christos’ which comes from the Hebrew word ‘Messiah’, and literally means “the anointed descendant of King David”, the full title being ‘Messiah ben David’ in Hebrew. Baha’u’llah being a male-sperm descendant of King David fulfills Bible prophecy – by His prophesied name, His

prophesied date, His prophesied, address, and His prophesied mission - therefore, as the second coming of Christ, as Baha’u’llah is both descended from King David and seated upon David’s throne, by blood and by genealogy, and by appointment from His father before Him.

Baha’u’llah’s father sat upon the throne of David, his grandfather sat upon the throne of King David, his great grandfather sat upon the throne of King David all the way back to King David himself through the ‘monarchs of King David in exile’ called ‘Exilarchs’ who were taken captive by Nebuchadnezzar into Babylon (Iraq) circa 597 BC, and who Cyrus the Great freed from Captivity and moved to the nation of Persia or Iran (circa 484 BC), where Baha’u’llah was born 2300 years later (see Daniel 8:13 for more).

At the height of the current global War of Terror this GOOD NEWS of the Kingdom (Davidic) of Baha’u’llah (The Father) couldn’t have come at a better time.

When asked about the future plans for the global Baha’i teaching effort, and the spiritualization of the entire planetary affairs of mankind, spokesperson, Neal Chase ben Joseph Aghsan, the great Grandson of ‘Abdu’l-Baha said, “No Comment – But for those who turn to the guidance of Baha’u’llah’s true UHJ the future looks very bright and promising!”

Coming from the man who – based upon Bible and Baha’i prophecy – predicted the first Trade Tower bombing in 1993, and the current “World Civil War” in his famous press release of that same name, that has erupted since the 9-11, and the well known Bible prophecy of one third of mankind that is to die in one hour of thermonuclear war with every city in the United States population 100,000 or more to be destroyed – apparently the affairs of the Faith are not to be decided by any one man.

We will all have to wait for the verdict of future events after the next session of deliberation of the Universal House of Justice he presides over, comprised of 24 of his fellow members (24 elders spoken of in the Book of Revelation surrounding the Davidic throne) which is just reconvening its current session after the holiday of the 161st Anniversary of the Proclamation of the Bab, the martyred Islamic forerunner for the Jewish and Christian Baha’u’llah, and whose great announcement to all the world that the “Kingdom Jesus has foretold is Now Come!” thus unites in one breath these three Great Faiths (who need it most) of Judaism, Christianity and Islam, and that went out from the Persian city of Shiraz on May 23, 1844, 161 years ago this Day. ب

## **United Kingdom**

*continued from p. 1*

I don't believe that the corrupt "Hands" or the bogus "House of Justice" - I'd rather say 'injustice' - will be able to hide the truth of their violation to the masses of the believers too long, even if they have the ability to get the faithful souls, who investigate the matter, shunned by the other followers who refuse to use their intellect and who go with the majority.

I leave this organization because I want to show respect to the twin manifestations and the thousands who gave their life for the Cause, and for the "Charter" which is the Will and Testament.

Whatever you think or say will not change my mind, and I refuse to meet with any auxiliary or counselor or anyone who might try to put rubbish in my mind or speak to me against 'Abdu'l-Baha! Please ask them not to ring me, nor to knock on my door as I have decided to shun these lepers.

This organization, moreover, is getting more and more oppressive to its members, and this is why it will lose, in the years coming, more and more members because what people are looking for these days is justice, not bigotry, fakes, frauds, and imitation.

The Baha'i Faith is a FAITH, not a Nazi police force. Its institutions are concerned with promoting and establishing world peace, social justice, protecting the environment, and making sure that all living beings are treated equally and that the rights of expression of the individuals are protected.

What the Hands and their bogus UHJ have been doing is exactly the contrary! These people might have a sweet tongue but what they do is really anti-peace, anti-love, anti-respect. They want their followers to be their sheep and submit to whatever bullshit they say.

They are as corrupt as Marangella, supporting the US government in its wars in the Middle East, bowing down to corruption, and forbidding their followers to have any stand, position, or opinion against the bloody war for oil. SHAME ON THEM!

I remain a Baha'i and hope to remain a good one all my life, a Baha'i who uses his intellect and who does not go with the crowd but investigates, himself, through his own eyes.

I wish you, reader, a good luck, and please do not fail to investigate about what I've written in this email!

## **Abdu'l-Baha on Unity in Diversity**

*"Should any one object that, since the communities and nations and races and peoples of the world have different formalities, customs, tastes, temperaments, morals, varied thoughts, minds and opinions, it is therefore impossible for ideal unity to be made manifest and complete union among men to be realized, we say that differences are of two kinds: One leads to destruction, and that is like the difference between warring peoples and competing nations who destroy one another, uproot each other's families, do away with rest and comfort and engage in bloodshed and rapacity. That is blameworthy. But the other difference consists in variation. This is perfection itself and the cause of the appearance of Divine bounty. Consider the flowers of the rose garden. Although they are of different kinds, various colors and diverse forms and appearances, yet as they drink from one water, are swayed by one breeze and grow by the warmth and light of one sun, this variation and this difference cause each to enhance the beauty and splendor of the others. The differences in manners, in customs, in habits, in thoughts, opinions and in temperaments is the cause of the adornment of the world of mankind. This is praiseworthy. Likewise this difference and this variation, like the difference and variation of the parts and members of the human body, are the cause of the appearance of beauty and perfection."*

## BAHA'I TRAVELLER

### *Ridvan in Zion*

*Text and Pictures by Alex*

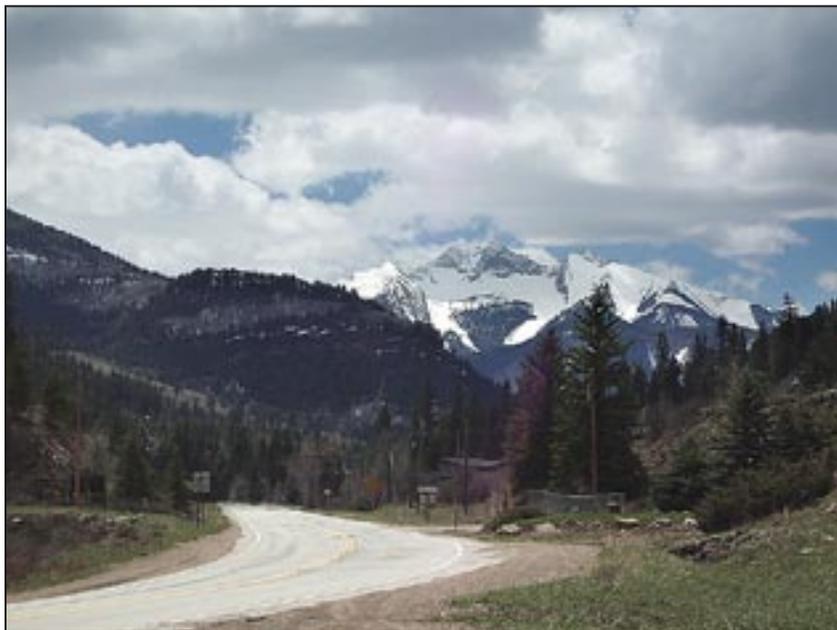

This story is especially written for the scattered ones who have not had the bounty as yet to visit the Rocky Mountains and this town in particular. What a blessed spot.

The 20<sup>th</sup> of May I left from my Island in the West Indies. After a journey of 50 hours without sleep, the Greyhound bus arrived on the dot, and Neal and Kim were there to give me a warm welcome.

This was my second trip, so the surroundings looked a bit familiar to me already.

These mountains, the landscaping, the snowcaps, the climate, and the crystal clear roaring little 'rivers' is how I would imagine paradise on earth, and it is right there.

It's funny, I live in the tropics but in the Rockies I have not been cold, although in the night it was sometimes freezing still, and I had no winter gear left, being in the Caribbean for twelve years.

*Chair Mountain and  
the Crystal River Valley*

It was also the second time I had the privilege to stay with Kim and Amy. Kim had sacrificed her room, and after this long journey, from Atlanta by bus, I started with trying to rest but it was like I was floating on a waterbed and I could not sleep as yet. So Neal suggested coming to the hot springs, and that was a wonderful experience. It was good to see the hotel back where 'Abdu'l-Baha once rested.

Riding into town on the bus I saw people in the big outdoors in what looked to me as a swimming pool and I thought, how is it possible people are already swimming outdoors, not knowing that these were the hot springs, and I certainly did not

think about being in what seemed to me a "cold" looking place. So this outing was my first surprise. Many would follow!

I first wondered why these people are just standing in the water. Later in the pool I understood, because the water was much warmer than the warm water I am used to here in the Antilles. This water was too hot to swim without much sweating.

The hot springs is a spot people come from all over the world to visit, Neal told me.

Kevin was also there, and it was refreshing to see the depth of a true brother and friend.

Kevin loves to speak in riddles and jokes, but that's only the surface because there is a great depth in this caretaker. Thank you for your spiritual energy as well!

This bath, after being awake for 60 hours, had eased me. The brown rice and milk probably helped too - the bed did not feel like a waterbed anymore, and I finally had my refreshing sleep.

Friday afternoon I arrived. The next day there was a forum in the evening, the first I ever attended. The week after, there was another one that we enjoyed. That was a blessing, and so many more were yet to come.

During the day Neal, Nefratiri, little cutie Ruby and I went through the Crystal Valley to see Chair Mountain up close. We saw the white marble. That little community is a nice place to live, only the sun does not reach the valley there much.

Gradually, during the first few days, I got to know where some of the friends live. Kim had made a handy little map with addresses, and during the week I think I have been in all the "locals" homes and experienced the warm welcomes and hospitality of all of you.

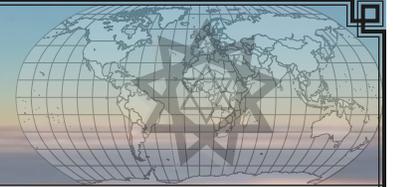

It was great to see the Woods in Zion in their cozy house finding employment, like Kim and Amy and Philip with their new jobs. These are literally friends gathered unto the Throne since lately, and all find comfort there.

When you walk through town, you probably will walk through many streets where you find an Angel in the Kingdom of God on earth.

Numerous were the occasions for the Spiritual Food which, as an isolated Baha'i, like the other most scattered Lights, is what we miss. Nowadays we luckily have the forum on line so we have more of a connection to the world centre in the Rockies.

It is good to hear your voices abroad, because I had the privilege to learn so many of your voices.

TRAVELLER cont. on pg 7

It was great to meet many Baha'i families with the wonderful young kids all gathered at the feasts.

It was good to finally meet up with Reg, with whom I had correspondence already for a good while. He looked so much younger than the picture I had.

So many wonderful personalities I have met, all of you deserve mentioning.

My new friend, Ivan, who helped me a lot with computer stuff - his intriguing life style, his smile. And there is Adam with his lovely wife and children. Wow Adam - I love the music you created. This music might be a powerful teaching tool. It's dear to me.

Then there are Colin and Nadine with their newborn. To me, this little boy was the most peaceful baby I had ever met. Nadine told me he keeps them awake at night.

Then there is Philip and Tera with little Philip. Thank you for your help.

Actually a book can be written about all the little ones, and my little son could be in the best company. All adorable youngsters whose future is bright.

All of you gave me presents, like music, personal documents, and my wish came through because I went home with a copy of the Beast, Ezekiel's Temple and more spiritual food for at home.

I had the bounty in the ten days to have had two Holy Day celebrations, two forums, and two deepenings from our beloved Guardian on the Most Holy Day.

The first one was about the Pyramid in the evening of the 28<sup>th</sup> after sunset, and the second (during the day) was about the Covenant and Why Life.

To be in the presence of the King is like you are home at the well. The depth and variety of subjects and topics, knowledge so vast, accurate and understandable, and like us, so down to earth.

There was much humor.

Thank you so much for the wonderful time and the trips we made to Marble in the Crystal valley, the hot springs, the gondola and the fairy caves, Kevin's hot car.

It was great how all of you created a beautiful painting to remember.

Sorry Patrick that we did not see much of each other. Thank you so for the steam cave trip you accompanied me last time.

The dishes served, show that unity makes strength and there are many good cooks.

All the Feasts were blessings. It's such a wonderful place to be at the Well Spring of the Crystal clear Waters. Every soul in their own unique ray of Light.

Did I forget Ruby or a cute dog named Jack and the lovely lady, Kathy, who hosted a wonderful feast in the middle of nowhere land in a cozy house? It was a great surprise to see Paul and Linda back, and that they are doing fine and are ready to move. I hope you two 'fare well'.

Lou, I did not forget you my brother. At first it was quite a shock for all of us that you got so sick. Somebody who has such a healthy dynamic and spiritual lifestyle.

I am so glad that it's going much better. Thank God.

I wonder how it is with Nefratiri's seedbeds. I wonder lots of things, and I would love to come to be home.

Twelve of you came to say good-bye when I took the bus back to Atlanta. It's truly a wonderful family that waved.

In the bus I had my delicious lunch as last material food. The spiritual food and memories I cherish so much and for the scattered ones I say: get your toothbrush and go on a pilgrimage to get a taste of this sweet flowing waters. The spirit of life indeed.

To all the friends I forget to mention, I say you all painted this wonderful picture.

Thank you all.

To me it was like the ultimate blessing, and Zion is the place to be. ☪
